

Your Well-Being Is Our Focus

For those months
of selfless care and
isolation, we extend our
deepest appreciation!

Welcome back! We're excited to see
you, serve you and aim to exceed
your expectations once again.

As we get back to doing what we do best
— taking care of our guests and helping
them create lasting memories — we're
proceeding with new and measured
considerations in mind, expanded health
protocols and heightened hygiene standards.

Implementing these steps is important
as we navigate the times ahead and the
wonderful moments that will come.

After all, our most joyous times include you.

10 WAYS WE'RE MAKING YOUR TIME WITH US SAFER AND PROVIDING PEACE OF MIND.

FREQUENT CLEANING WITH HOSPITAL-GRADE PRODUCTS

From meeting rooms and food service areas
to conference room doors, tables, chairs,
light switches and other shared equipment,
our spaces and high-touch surfaces are
sanitized and sterilized around-the-clock.

MANDATORY FACE COVERINGS

Face coverings are required in all of our
meeting and event spaces. If you or another
guest do not have a face covering, a mask
will be provided.

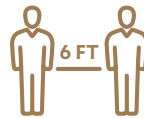

HAND SANITIZING MADE EASY

For your convenience, hand sanitizer
dispensers are located on elevator landings
and in public areas.

HYDRATION

Individual water bottles will be provided
to guests.

PROMOTING PHYSICAL DISTANCING

Specially designed floor plans allow for
six-foot minimum distance between you
and others.

SNACKS AND MEALS

All buffet and self-serve style events are
suspended. All food, beverages and break-
time snacks are individually served.

SEATING CAPACITY

Occupancy levels reviewed on a case-
by-case basis to ensure compliance with
municipal, state and CDC guidelines.

LINEN AND UNDERLAYS

These items are replaced after each use
and transported in single use plastic bags
into and out of meeting rooms.

HANDS-FREE ENTERING AND EXITING

Doors are propped open throughout
sessions to promote touch-free movement
in and out of spaces.

PENS AND NOTEPADS

Conference spaces are free of traditionally
supplied writing amenities. Guests are
encouraged to bring their own supplies.
